

KS2 International Day

Wednesday 18th March

On Wednesday 18th March we are celebrating International day at Longshaw School. The school will enjoy a vibrant cultural day bursting with colour! Each class will be given a country to explore, learn about in depth and celebrate. We ask that the children try their best to attend school dressed in the given country's colours or appropriate sportswear (Shorts, tracksuit top and bottoms, trainers etc). See table below for your child's class information.

All classes will be allocated a slot for Dance/Sports Activity session relating to the allocated country. Children will then spend the day learning about their given country. At the end of the day, a special assembly will be held where the children will be performing their dance routines. Sports sessions will run on a points scheme for each goal scored and at the end of the day a winner will be decided to win the "Longshaw cup".

Class 7	Brazil	Blue, yellow and green
